

WWC Alumni Newsletter 1998-1999

Dear WWC

2008 has been a fun and crazy year for the Reiss family! We enjoyed watching our daughter, Abby change in so many ways and celebrated her 1st birthday on December 17th. We can't even imagine our life without her!! She loves music and has become my newest dancing buddy!!

Our biggest news?!! - I'm expecting our 2nd baby in May! We are excited to see what 2009 holds. Special thanks to Facebook as it allows me to tap into your lives and see all the great pics of the great adventures everyone is on!

Love ya!
Kristin (McCabe) Reiss

My husband Josh continues to teach 10th grade biology, coaching varsity soccer and serves as the assistant athletic director.

I am still working part-time as the student ministries administrative assistant at our church and love working with middle school students!!!

We still venture up to Cable, WI several times a year and were able to take Abby snowshoeing, hiking, fishing and cut down our Christmas tree during our annual Thanksgiving/ hunting trip!

We also got a 2nd Boxer puppy named Skyler who joins Zoey in exploring our yard all day!.
